

It is asserted in some of the papers that the money raised to pay Father Matthew's debts, is to be appropriated to the erection of a splendid Catholic church in Cork, Ireland.

Among the prizes given at the great exhibition was one to J. & O. Whitworth, of Great Britain, for a machine for measuring less than the two hundred thousandth part of an inch.

A two-year old buck, as white as driven snow, was caught a short time since, by a number of sailors, at the mouth of the St. Joseph river. [Allegan Record.]

C. B. ALBEE

HAS again returned from the City with the largest and best selected stock of Goods, ever brought into this market; comprising nearly every style and grade to be found in the city. Among them are some entirely new styles of Dress Goods—very rich and handsome; all of which have been purchased at the very lowest cash price and will be sold accordingly. My motto is the *simplex* *strepere*, consequently *con* and *will* sell lower than any other store in town. My reasons are obvious, when the *simplicity* is made, it has not got to be divided *two* or *three* times among my partners, (as is the case with many,) therefore I mean what I say, and especially invite all to an examination of my goods and prices before purchasing elsewhere, and I will prove the above statements correct.
